# 1. Participating in real-time video lectures(ZOOM)

After installing ZOOM (<https://zoom.us/download>) in advance, click the video lecture link in the classroom. There is no need to register. If you are a member, please log out.

Click the **[Join Meeting]** button

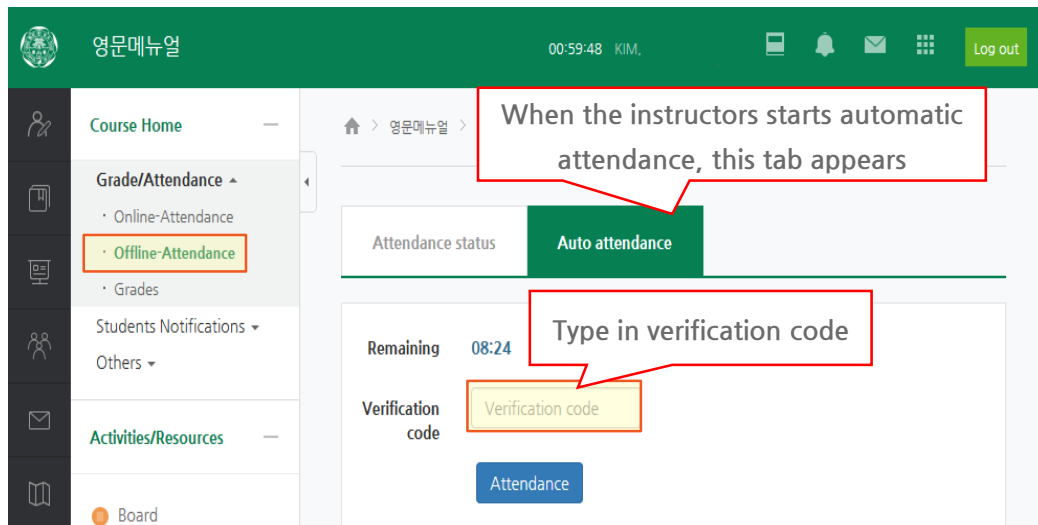

After clicking the **[Join with Computer Audio]** button, Close the popup window

## 2. Auto Attendance Check

If instructors use auto attendance check system, verification code will be shown.

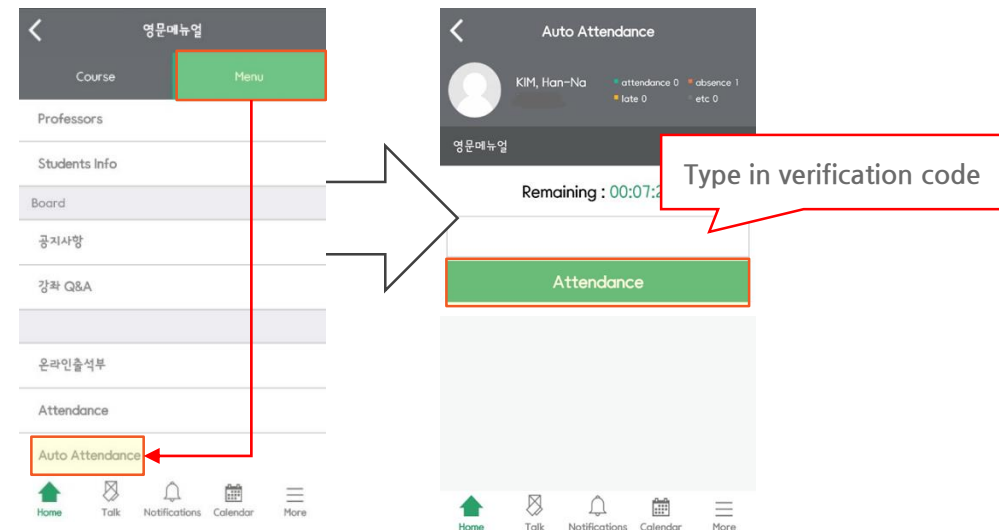

When students enter the verification code into their PC or Cyber Campus app, their attendance will be checked.

- On your PC

Click **[Grade/Attendance > Offline-Attendance]**. under [Auto attendance] tab, please enter **the verification code** and press **[Attendance]**. You can check if your attendance is checked or not from **[Offline Attendance]**.

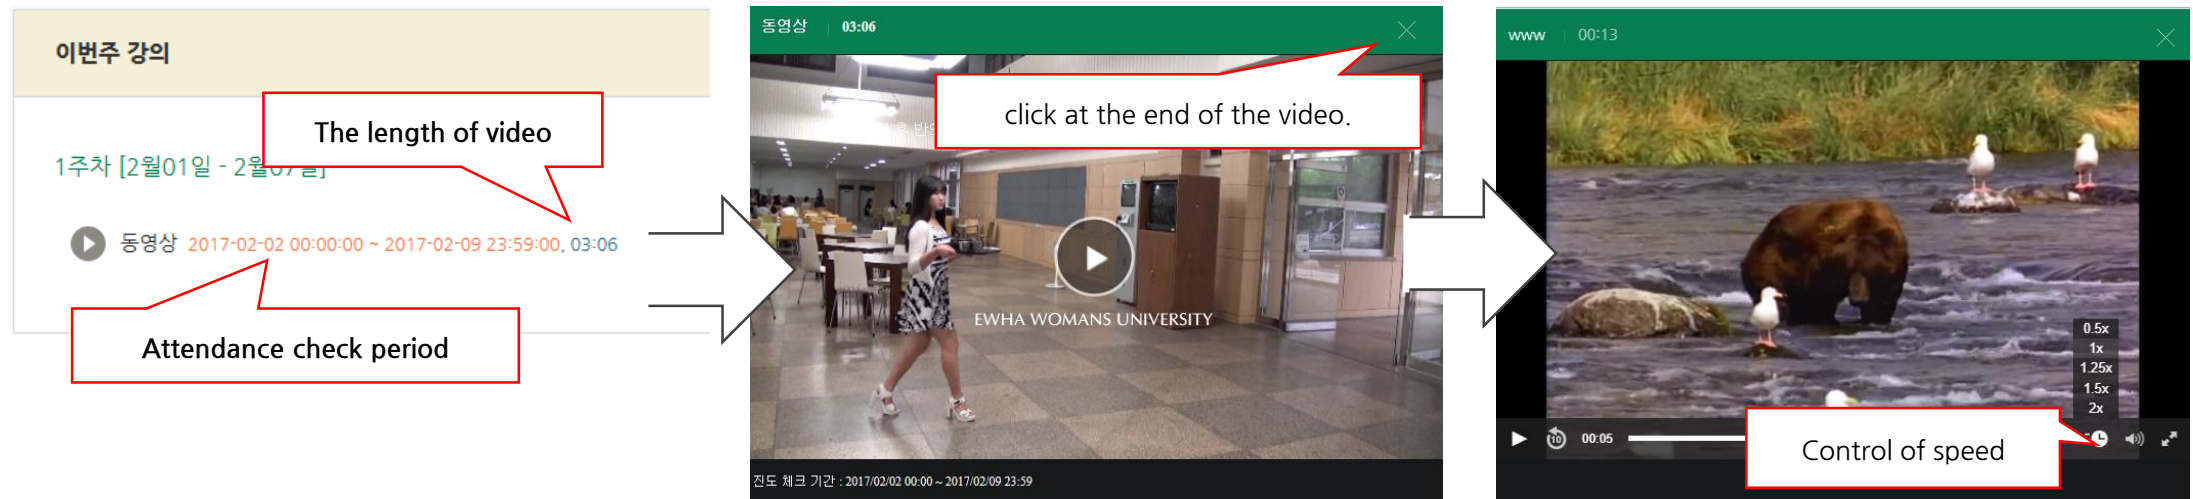

- On your Cyber Campus app

Click **[Menu > Auto Attendance]**. Please enter the verification code and click **[Attendance]**. You can check if your attendance is checked or not from **[Attendance]**.

# 3. Watch video lectures

When you click the video icon in the classroom, the video lecture appears as a pop-up.

If the instructor has set the video to be checked for progress, the duration of the check will appear next to the video. If you play the video within this period, you can check the progress.

Checking the progress of the video is only available on the PC or cyber campus app.  
(If you are learning through a web browser on a mobile device, progress is not checked.)

In the case of a video that does not have a progress check(after period) or a video that has already been checked, the speed can be adjusted

# 4. Checking my progress status of video lectures

When you finish learning the video, **Immediately** check the progress rate in the progress status or online attendance book> progress status menu(added the progress status menu to the app)

The screenshot shows the '사이버캠퍼스 워크샵' (Cyber Campus Workshop) interface. On the left, the 'Course Home' menu is visible, with 'Progress status' highlighted. The main content area displays 'Lee, huiyeon Student progress'. Below this, a table shows the progress for two resources: '0819 동영상 워크숍2' and '1-1강의'. The table includes columns for Week, Resources, Contents time, 학습인정 요구시간 (Learning Recognition Time), Recognition Time, and Progress. The 'Progress' column shows 84.21% for the first resource and 9.09% for the second. Red boxes highlight the 'Details (3)' and 'access log' buttons for the first resource, and the 'Details (11)' and 'access log' buttons for the second resource. Red arrows point from these buttons to the detailed progress tables on the right.

Week	Resources	Contents time	학습인정 요구시간	Recognition Time	Progress

# ※ Video lecture attendance Q&A process

Check the **progress check period** indicated next to the video

Click the **Progress Status** or **Online Attendance** > **Progress Status** menu to check your progress.

Click the **detail** button at the bottom of the progress rate to check the date and time the progress was checked.

If the progress check date and time are not displayed in the detail view

Click the **access log** button at the bottom of the progress rate to check if you have accessed the progress check period.

If you click the video within the progress check period and it is not reflected in the progress rate,

Go to the Q&A board in the Cyber Campus Guide menu and attach the following information to inquire.
